

The Desert Trails Preparatory Academy cheer team are victorious again! This year's cheer team ranged from 3rd to 6th graders who realized that cheer is a fun, but serious sport. Our girls learned quickly that cheer is not easy. With the help of Ms. Jazmyn, Ms. Angel, and Mrs. Vance, the girls practiced their sharp, rhythmic movements twice a week, no matter the weather. As competition day approached, the girls did not falter in their confidence and on March 17, 2018 they proved what their coaches already knew and performed their little hearts out. They were on sharp with their movements, in sync with each other, and hit all of their stunts. The girls gave full effort to get the win. Desert Trails was the **ONLY** elementary school competing against six other experienced dance/cheer teams and All-Star teams. So, when the SHARP officials called Desert Trails Preparatory Academy as SHARP Champions we knew we slayed the performance! Desert Trails Preparatory Academy Cheer team is a team of mighty stars shining extremely bright. Fear our bows!
